ROMALILARA KARŞI

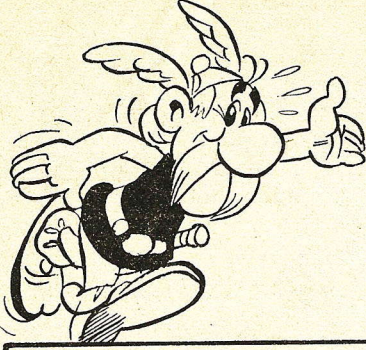

SAYI: 10

HOKUSFOKUS: Yaşlı bir sihirbazdır. Çeşitli büyüler yapar. İnsan üstü kuvvet veren büyülü ilaç da onun buluşlarından biridir. Asıl adı başkaymış ama, mesleği icabı Hokusfokus denmiş...

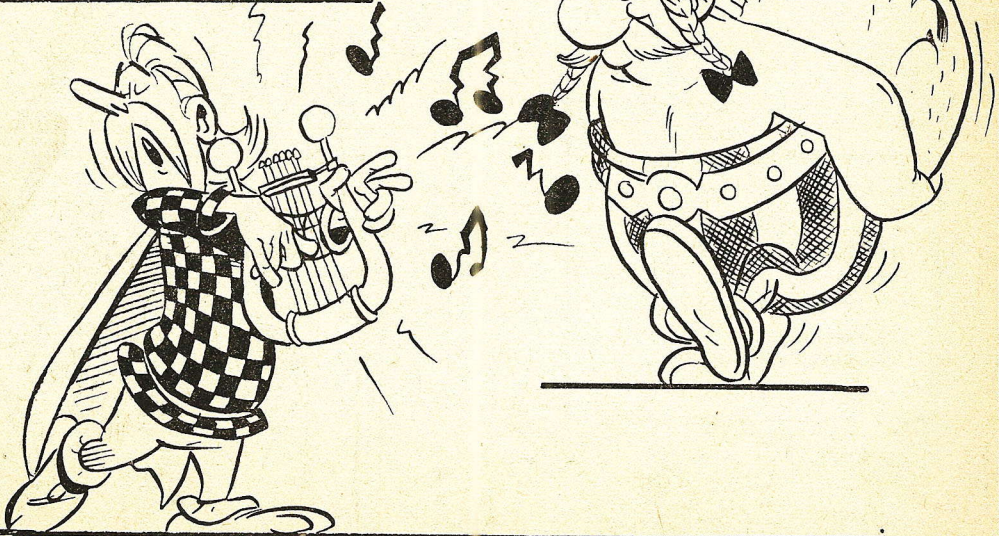

TOPTORİK: Kabilenin yılmaz başkanıdır. Çok sevilir ve sayılır. Yigitlikte, Jül Sezar'a karşı koymuş olan ünlü Galya kahramanı Vergensetorike eşit kabul edilir.

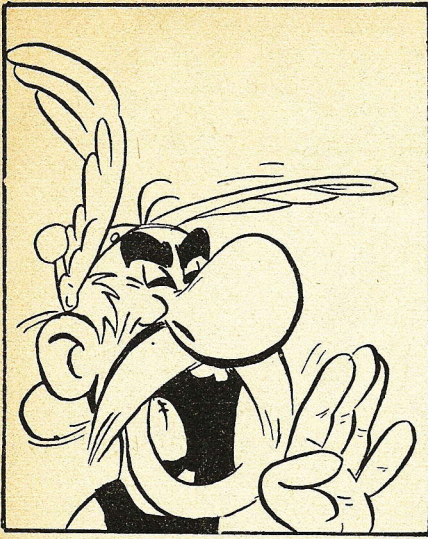

BÜCÜR: Küçük bir yılmaz savaşçıdır. Asıl adının Serterik olduğu söylenir. İnsan üstü kuvvetini sinirbaz Hokusfokusun büyüü ilacından almıştır.

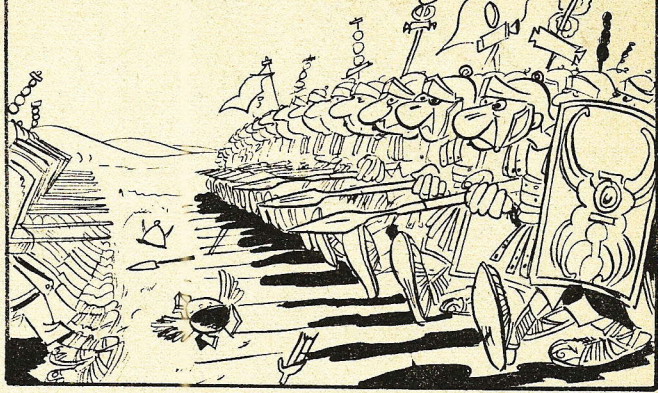

HOPDEDİK: Aslında Galyalıların anıtları olan menhir denilen taşları dikmek başlıca işidir. Fakat maceraya atılmak için her zaman hop diye Bücür'ün yanına koşar. Domuz etine ve doğuşa bayılır.

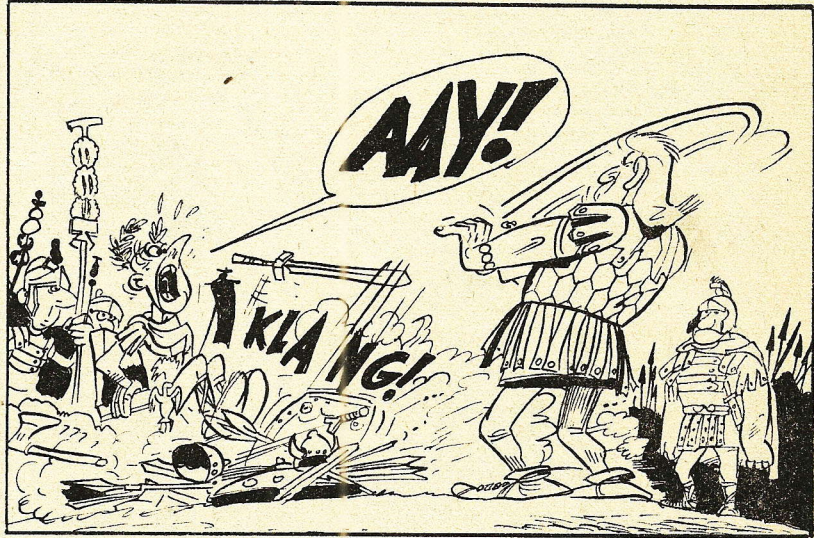

DERTSİZİK: Bu da köyün ozanı. Kendisinin büyük bir şair olduğuna inanır, ama herkes aynı fikirde değildir. Mine de aranan şen bir arkadaşdır.
