II. INTERNATIONAL SİMAVİ KARİKATÜR YARIŞMASI ALBÜMÜ

Hürriyet Vakfı'nın "Uluslararası Simavi Karikatür Yarışması" iki yılı başarılı bir şekilde geride bıraktı.

Birinci yıl yarışmasına katılan eserleri toplayan albüm için yazdığım önsözde şunları söylemiştim:

"Değişik din, dil, ırk ve ideolojideki insanların birbirlerinden farklı düşünmeleri tabiidir. Ancak bu insanların, zaman zaman, birbirlerine karşı düşmanca davranışlarda bulunmalarını doğal karşılamak mümkün değildir.

İnsanları ve milletleri birbirine düşürmekte oldukça mahir olan günümüz dünyasında bu bahtsız ayrılıkçı eğilimlerle, akılcı bir biçimde mücadele etmek zorundayız.

Bu mücadele, uluslararası yakınlaşmaları temin edici fırsatlar yaratmakla başlar. Uluslar arasında düzenlenen sportif ve özellikle kültürel temaslar, bu yakınlaşmaların vazgeçilmez araçlarıdır.

Bu temasların ve yarışmaların konusu, insanların birbirlerini güldürebilmek için yarattıkları sanat eserleri olursa, maksada çok daha sıcak ve süratle yaklaşılabileceğine inanıyoruz..."

Hürriyet Vakfı'nın bu inanca başlattığı "Uluslararası Simavi Karikatür Yarışması" birinci yılda 27 ülkeden 474 karikatüristin ilgisini çekmişti. 1984 yılında ülke sayısı 29'a, katılan sanatçı sayısı 491'e yükseldi. Bence daha da önemli olanı, aynı yıl bazı ülkelerin A.B.D.'de yapılan "Olimpiyat Oyunları"nı boykot etmelerine rağmen, bu ülkelerdeki karikatüristlerin "II. Uluslararası Simavi Karikatür Yarışması"nda diğer meslektaşları ile bir araya gelmeleridir. Böylece Los Angeles'te görüntülenemeyen bir olay, Ankara'da Devlet Resim ve Heykel Müzesi "Sedat Simavi Sanat Galerisi"nin panolarında gerçekleşti. Çeşitli dil ve ideolojideki milletlerin bayrakları yanyana geldi.

15 büyük şirketi kontrolü altında tutan ve günlük tirajı 1.000.000'na erişen bir gazetenin kurduğu Hürriyet Vakfı'nın düzenlediği uluslararası karikatür yarışmasının her geçen yıl evrensel boyutlarının daha da artması, bu yarışmayı düzenlemekteki amacımızın da başarılı olduğunu kanıtlamaktadır.

Hürriyet Foundation II. International Simavi Cartoon Competition Jury Members

The "International Simavi Cartoon Competition" organized by the Hürriyet Foundation, has successfully concluded its second year.

In the preface for the album of the first competition, I said:

"It is normal that people of different religions, languages, races and ideologies would think differently. However, it is not possible to accept as natural that these people should act with hostility towards one another.

In today's world which is particularly skilful at inciting people and nations against each other, we are obliged to fight in an intelligent way against these unfortunate, discriminating inclinations.

This endeavour starts by creating occasions for international rapprochement. Sportive and especially cultural contests and relations are indispensable tools of this understanding.

Should these meetings and competitions have for their subject art works created for rejoicing the hearts of people, we believe they will help reach this goal in a warmer and much faster way..."

The "International Simavi Cartoon Competition" which the Hürriyet Foundation organized with this belief, in its first year aroused the interest of 474 artists from 27 countries. In 1984 the number of artists and countries grew to 491 and 29 respectively.

Which is more important to me is the fact that whilst several countries boycotted the "Olympic Games" held the same year in the U.S.A., cartoonists from these countries came together with their colleagues for the "II. International Simavi Cartoon Competition". Thus, a scene not to be witnessed in Los Angeles took place on the panes of the State Painting and Sculpture Museum "Sedat Simavi Art Gallery" in Ankara. The flags of nations of different languages and ideologies came together.

The growing international dimensions of the cartoon competition organized by the Hürriyet Foundation, which controls 15 large companies and was established by a newspaper with a daily circulation reaching 1.000.000 copies, is a proof that our purpose in organizing this competition was also successful.

Cesare PERFETTO

1919 yılında Roma'da doğdu. Eşi, iki çocuğu ve iki torunu ile devamlı olarak Bordighera'da yaşayan Perfetto'nun filozof bir yanı vardır ve Rotterdamlı Erasmus, Luigi Pirandello ile Thomas Moore'dan etkilenmiştir. Yakın bir tarihte akademisyen ünvanı kazanmış, çeşitli işlerle uğraşmıştır. Savaşta pilotluk, gazetecilik, basketbol oyunculuğu ve hakemliği, sinema rejisörlüğü yapmış ve "Peynet Aşıklarının Dünya Turu" adlı film ile "Gümüş Arslan" ödülünü kazanmıştır. Halen bir kütüphanenin sahibi olan Perfetto, aynı zamanda bir turizm acentasının başkanıdır ve Genova'da pazarlama dersleri vermektedir. "Mizah Salonu"nun yaratılması kendisine Amerikan Karikatüristleri Sendikasının "Üstün Hizmet" ödülünü ve daha yakın bir tarihte ise Strazburg'da Avrupa Konseyi'nin "Büyük Madalya"sını kazandırmıştır. Mizah Salonu, 1947 yazında savaşın hemen ardından yaşanan yorucu ama aynı zamanda yaşama sevincinin patlak verdiği dönemde kurulmuştur. 1952 yılında Raymond Peynet tarafından "Altın Palmiye" ödülüne layık görülmüştür. Aynı yıl Giovanni Guareschi edebiyat dalında "Don Camillo ve Pepone" adlı eseriyle ödül kazanmıştır. Perfetto'nun Kral VIII'inci Henry tarafından cezalandırılan İngiliz hümanist ve devlet adamı Thomas Moore'un bir duasını sık sık tekrar ettiği söylenir.

"Tanrım, bana olayların gülünecek yönünü görme yeteneğini ver ki, ben de bunları başkalarına aktarabileyim!"

Born in 1919 in Rome, Perfetto, who permanently lives in Bordighera with his wife, two children and two grandchildren, is a great meditator under the influence of Erasmus from Rotterdam, Luigi Pirandello and Thomas Moore. He recently won the title of academician. Perfetto dealt with numerous affairs. Pilot during the war, journalist, basketball player and referee, movie director. He won the Silver Lion award with his film "Around the World with Peynet Lovers". He owns a library, presides a tourism company and lectures on marketing in Genova. The establishment of the "House of Humour" brought him the Medal of Merit of the American Cartoonists Guild and more recently, the Grand Medal of the Council of Europe in Strasbourg. The House of Humour was established right after the war in 1947 when life was difficult but the joy of living about to explode. In 1952 he won the "Golden Palm". The same year. "Don Camillo and Pepone" brought him the Giovanni Guareschi literature award. It is said that Perfetto often repeats the prayer of Thomas Moore, British humanist and statesman, who was punished by King Henry the VIII.

"O Mighty, give me the ability of seeing the funny sides of things so that I can convey them to others!"

Ralph STEADMAN

1936 yılında Wallasey'de doğdu. Bir esnaf çocuğu olan Steadman, "College of Printing and Graphic Arts"da yüksek öğrenimini tamamladı. Kitaplarında "apolitik" çizimleri ile ün yapan sanatçı, 1973'de "Alice Harikalar Diyarında" kitabını resimleyerek "Francis Williams Kitap Resimleme Ödülü"nü aldı. 1977'de "Desenciler ve Resim Sanatı Ustaları Derneği"nin altın ve gümüş ödülleriyle layık görülen Steadman'a, "Amerikan Grafik Sanatları Enstitüsü"nce 1979 yılında "Yılın Ressamı" armağını verildi. Kendi yazdığı çocuk kitaplarının yanı sıra, resimlediği sayısız kitapları da bulunan Steadman, acımasız bir kara mizahçı olarak ün yapmış ve bu alandaki yapıtlarının bir çoğu geniş yankılara, tartışmalara yol açmıştır. 1984 sonbaharında yayınladığı "Gözlerin Arasında" kitabı o kadar büyük bir rağbet görmüştür ki, iki hafta zarfında onbin'den fazla satmıştır.

Born in Wallasey in 1936, Steadman graduated from the "College of Printing and Graphic Arts". Famous for the "apolitic" illustrations in his books, the artist in 1973 won the "Francis Williams Book Illustration Award" with "Alice in Wonderland". In 1977, Steadman won the Gold and Silver Awards of the "Designers and Art Directors Association" and in 1979 he received the Merit Award and was voted "Illustrator of the Year" by the "American Institute of Graphic Arts". Several of Steadman's satirical works have incited great controversy. His typically bold illustrations depicting some less tasteful aspects of life offend some readers, while devotees find his work highly amusing and laud what they regard as his blatant honesty. His latest book "Between the Eyes" sold over ten thousand copies within two weeks, a proof of definite success.
